F-2 Payment

F-2.1 The Department will pay the Managing Entity an operational cost for the management of the Network in accordance with the terms and conditions of this Contract. The direct service cost is defined as the annual value of the Contract less the operational cost of the Managing Entity.

F-2.2 In accordance with s. 394.9082, F.S., the Department will pay the Managing Entity a two-month advance at the beginning of each fiscal year. Thereafter, the Managing Entity shall request monthly fixed payments equal to the fiscal year contract balance divided by the number of months remaining in the fiscal year. The advance and payment amounts for each fiscal year are specified in **Exhibit F2**. The payment request may be subject to financial consequences, pursuant to **Section E-5.2**.

F-2.3 The Managing Entity shall temporarily invest surplus advance funds in an insured interest bearing account, in accordance with s. 216.181(16)(b), F.S. The Managing Entity shall remit to the Department, on a quarterly basis, any interest earned on advance funds via check. The Managing Entity must submit documentation from the financial entity where said funds are invested, evidencing the Annual Percentage Rate and actual interest income for each month.

F-2.4 The Managing Entity shall expend any advance in accordance with the General Appropriations Act.

F-2.5 The Managing Entity shall request payment in accordance with **Section F-3**.

F-3 Invoice Requirements

F-3.3 Within five business days of receipt of a properly completed invoice and **Template 11 – Managing Entity Monthly Progress Report**, the Contract Manager will either approve the invoice for payment or notify the Managing Entity in writing of any deficiencies that must be corrected by the Managing Entity before resubmission of the invoice.
