

Effective the latter of October 5, 2021 or the last date of the signatories, this amends the above referenced Contract as follows:

1. The following items were last addressed in the corresponding Amendments:

- Amendment #0046: 5
- Amendment #0050: 2-4, 6-8

2. In 1.1, \$668,521,608.07 is replaced by \$672,350,541.07.

3. C2-4.1 is amended to add:

**C2-4.1.8** The Managing Entity shall execute subcontracts to the 211 providers identified in **Table 1a** to implement a sustainable provider-specific plan focusing on populations identified in the prevention, early intervention, and diversion goals of the department’s program offices.

**C2-4.1.8.1** The Managing Entity shall submit the plan for Department acceptance prior to subcontract execution.

**C2-4.1.8.2** During FY2021-2022, a minimum 80% of each allocation must be used to expand call center counseling and information and referral capacity through operational staffing and outreach activity, including any related training, supervision, quality assurance, community networking and engagement, and daily operational expenses. A maximum 20% may be used to implement any necessary one-time infrastructure enhancements, including community resource database development; development or expansion of digital service capacity via chat, text, or mobile application; enhancements to a provider’s phone bank and call routing systems, public-facing website server capacity; or related system supports.

**C2-4.1.8.3** The intent is for this funding to be recurring; however, legislative approval is required each Fiscal Year. Beginning FY 2022-2023, 90% of the recurring allocation must be used to sustain call center capacity through information and referral capacity and outreach activity.

4. The yellow highlighted portion of the table below amends **C2, Table 1a**. The non-yellow highlighted parts are for illustrative purposes only and are unaffected by this amendment.
