**BBHC's COST OF SERVICES
COST SHARING AND FEE PAYMENT REQUIREMENTS**

If you do not have money or health insurance, mental health and/or substance misuse services may still be provided to you based on your eligibility.

Community mental health and substance misuse agencies that receive funds from the State provide treatment and other services based on what you can afford to pay. This is called a sliding-scale or sliding fee basis of payment.

Every person is responsible to pay for some of the cost of their care but if you have very little money or no money, services may still be provided.

To access services call BBHC at 954-622-8121.

AUXILIARY AIDS

BBHC is available to assist with auxiliary aids such as interpretation services and alternative communication systems.

It is suggested that the BBHC Quality Improvement Manager or Consumer Relations Specialist is contacted for such assistance at 954-901-6051.
